

## Prototype boats delivered

Andaman Boatyard, a leading Thai boat builder and Kipsan Beck, centre, chief marketing officer of PACE Development Corporation, hand over the first two prototype boats sponsored by PACE to help victims of the floods to the Ruamkatanyu Foundation. The boats are capable of carrying eight to 12 people at one time and are very simple to build.

## GIST(ENGLISH)

Andaman Boatyard, a leading Thai boat builder and Kipsan Beck, CMO of Pace Development Corporation, hand over the first two prototype boats sponsored by Pace to help flood victims to the Ruamkatanyu Foundation. The boats are capable of carrying eight to twelve people at one time and are very simple to build.
